# COMFORT & SPECIALIZED EXPERTISE

## Comprehensive PULMONARY CARE

Under the direction of Pulmonologist **Dr. John Bermingham, DO & Pulmonary and Sleep Associates of South Jersey,** we focus on helping patients achieve the most active life possible despite any pulmonary diagnoses and physical limitations.

Our physician-led program is focused on helping patients achieve the most active life possible despite any pulmonary diagnoses and physical limitations.

We tailor our program for individuals with pulmonary disease, with diagnoses such as: COPD, post lung transplants, emphysema and acute respiratory failure.

### Our Comprehensive Program Features:

- Full Time Respiratory Therapist
- On-site ABG's
- Non-Invasive Ventilation Support
- Team Consults by our Board-Certified Pulmonologists
- Up to 7 Days Per Week Therapy Services as prescribed
- 24/7 Access to Laboratory and Radiology Services
- Tracheostomy Care & Management
- Wide Range of Oxygen Therapies
- Nebulizer Therapies
- Comprehensive Pulmonary Education/ Training for Patients and Family Members
- Case Management & Discharge Planning
- Coordination of Home Care Services including CARE NAVIGATION™ Program
- 24/7 Admissions Direct from the ER

**Our goal is to provide the medical expertise and personal support to help residents**

**GET WELL,  
BE WELL  
& STAY WELL.**

## SHORT-TERM REHAB Delivering Positive Outcomes

Our strong hospital partnerships ensure a smooth transition for those in need of post acute and surgical care. Under the guidance of our expert therapists, patients rapidly regain their mobility and achieve independence as they prepare for their return home.

- Physical, Occupational & Speech Therapies 7 Days a Week!
- State-of-the-Art Therapy Gym with the Latest Rehab Equipment
- Coordination of Post-Discharge Care

**Our signature Rehabbing Care™ infuses every aspect of our environment.**
